

## TEAM MANAGER TECHNICAL MEETING MINUTES

**MONDAY 19 AUGUST 2024**

**Opening of the meeting by Michael Serralta:** everything is marching well. There were some mistakes about the poles. **Athletes have to hand in their personal poles 2 hours before the start of their event.** Transport works very well. No written questions today.

**Alan Bell** explains about the technical part of the two groups M70 and M75 Decathlon. LOC believed that the 1500m heats should be run this way: the athletes with the most points so far in one heat and the others in the other heat. For the future it will be: heats per age group.

Relays: 4 x 400m. on Sunday 25th August: from 10.00 – 16.00. Order of the events: first all women (from older to younger) and then all men (older to younger).

Deadline for the relay entry forms is due **before 12.00 on Saturday 24th August.**

**Archie Jenkins:** presentation Cross Country.

HKG: Will another race start before everyone from the previous race has finished? Yes: the start line is not part of the lap. So hopefully the following race starts on time.

CAN: if a country has 3 athletes in an age category (so is a natural team): what if an athlete doesn't start? Archie: there will be a double check on '3 national athletes'.

USA: will there be cut offs? No.

ROM: results are difficult to find per country or per age category. Sandy Pashkin: on the top of the result lists there is a search bar: click: 'all categories'. AUS: see the spreadsheet in Roster (at the footer of the front page Team Managers/Team Manager Technical Meeting Minutes).

Questions:

IRL: general comment: **please respect the people in the implements room !**

FRA: some difficulties with Roster. Alan explains: Roster is used here for the first time; it needs to be changed. It is very complex; it is a LOC issue (WMA requests).

**Anders:** we are half way, today; no new major issues. There will be lots of 'media' today in Skottsslogsvallen, because a super star (skier) Ingmar Stenmark is competing in pole vault (M65). In the warming up area there was a serious incident with a child involved (collision). From now on: **no children are allowed in the warm up area !**

If you see a child in the area: please send him/her away (for his/her own safety).

LAT: if you want to have an evening with a lot of fun: please come to the Athletes Village at 18.00 on Wednesday.
